BEYAZ SAÇ KAPAMA

GLAMLOOK SAÇ BOYASI 1+1,5 oranında kullanılıyor olması, yumuşak kıvamlı bir karışım ile kolay çalışma imkanı sunar. Formülünde bulunan etkin maddeler yoğun beyaz kapamayı ve saçı lif tabakasından itibaren içten nemlendirmeyi garanti eder. **GLAMLOOK** özel olarak üretilen nano teknoloji ile parçalanmış doğal mikro pigmentler sayesinde %100 beyaz kapama özelliğine sahiptir, bu sayede tek uygulamada istenilen sonucu verir. İçeriğindeki Argan, castrol ve Keratin Yağı özleri saçı derinlemesine nemlendirirken Buğday -Soya proteinleri saçı yapılandırmaya yardımcı olur. Renklerin parlak ve eşit dağılımını sağlar. **GLAMLOOK SAÇ BOYASI** Parafenilendiamin, pppd, dea, sls içermez.

GLAM LOOK HAIR DYE is used at the rate of 1+ 1.5, Provides facilities for easy working with a soft consistency mixture. The active ingredients in its formula guarantee intensive white coverage and moisturize the hair from the fiber layer. Specially because of the natural micro pigments broken with nano technology, **GLAMLOOK** has a 100% white coverage feature and in this way, it gives the desired result in one application. Contains Argan, Castrol and Keratin Oil extracts moisturize the hair deeply, while Wheat and Soy proteins help to structure the hair. It provides shine and even ensures distribution of colors. **GLAMLOOK HAIR DYE** It does not contain parafenylendiamine, pppd, dea, sls.
